

Attachment A

Material Accepted for the Monthly Curbside Cleanup within the city limits of Reed City.

Cleanup will be performed the first pick-up day of every month.

All items must be to the curb by 7:00 AM. All items must be boxed, bagged or in bundles of 4' or less and weighing less than 45 lbs. No more than one cubic yard will be collected.

Building materials in excess of one cubic yard will not be collected.

- Lumber must be no longer than 4 foot lengths
- Carpet must be cut and rolled into 4 foot lengths and should not exceed 45 lbs.
- 4'x8' sheet good (plywood, drywall, paneling) will not be collected unless cut into 2'x4' panels

Bulky Items such as

- Furniture – such as couches, chairs, tables, mattresses, etc.
- Non-Freon Appliances (Washers, Dryers, Stoves)
- Refrigerators, Freezers, Dehumidifiers and Air Conditioners with a “**certified freon removed tag**” applied by licensed heating and cooling contractor.

The Cleanup services will not take the following items:

Standard Bagged household garbage are **Not Acceptable** which includes kitchen food waste and other clearly apparent standard refuse which is placed out in avoidance of weekly collection.

(i.e. homes that don't have regular service using either a prepaid bag or tote service)

Household hazardous waste is **Not acceptable** and includes the following examples:

- Liquid Paints (Latex, Oil based or Varnishes)
- Pesticides or other household chemicals
- Motor Oil or Cooking Oil
- Pharmaceuticals, drugs or pills
- Batteries
- Tires

For more information regarding household hazardous waste, please view the following web address: www.osceolalakecd.org/hazardous-waste-collection

Yard Waste is **Not Acceptable** including grass clippings, leaves, twigs, branches, and other garden refuse.

The State of Michigan prohibits household hazardous waste, tires and yard waste from being accepted into the landfill.

No Household waste will be collected unless placed in prepaid RED Sam's Disposal bags.
