

Seeking Sealed Bids – Reed City MI

The City of Reed City is seeking sealed bids for the purchase, programming, and installation of a Magnetic Bearing Control (MBC) unit for use on its ABS/Sulzer turbo-compressors used at its Wastewater Treatment Plant (WWTP).

The MBC shall be Sulzer Magnetic Bearing Control MBC-12, part# 104687-C and shall be configured and programmed for our specific turbo-compressors, ABS Model HST 2500.

Bidders must be able to demonstrate the ability to perform this work, including a history of other such installations if requested. Bids must include all parts, programming, and installation costs.

Bid Instructions

Bids must be in a sealed envelope marked “MBC bid” and mailed or dropped off to:

Reed City Hall
227 E Lincoln Ave
Reed City, MI 49677

Bids are due no later than 1:00 PM on Friday November 7th.

Any questions regarding this bid should be directed to WWTP Superintendent Curt Brackenrich at cbrackenricgh@reedcity.org, or 231-832-5353

Reed City retains the right to accept or reject any bids in the best interests of Reed City.
