Accountability and Transparency

In order for each city/village/township/county to receive State Revenue Sharing Incentive Program payments, they need to produce and make available to the public, a Citizen's Guide, Performance Dashboard, Debt Service Report, and a Projected Budget Report. As part of that compliance, these documents, along with our Annual Audit Report, are available for viewing at City Hall, 227 E. Lincoln, or on our website at: www.reedcity.org.
